

**JOIN A BLENDED INTENSIVE PROGRAMME
FOR PROFESSIONAL PEDAGOGICAL DEVELOPMENT OF ACADEMICS**

INTERNATIONAL PERSPECTIVES IN HIGHER EDUCATION
online & on site from February to June 2025

developed jointly by Örebro University, University of Ostrava, University of Jaén,
and The Hague University of Applied Sciences

The course invites teachers from NEOLAiA universities and from The Hague University of Applied Sciences to meet in an international and interdisciplinary academic group and explore together a range of topics and tools relevant for teaching and learning in higher education, and to share experiences and practices.

The course focuses on five themes: **Collaborative learning and course design, Assessment in Higher Education, Student-centred learning and the use of digital tools, AI in Higher Education, and Teaching sustainability and equality.**

As a Blended Intensive Program (BIP) the course consists of digital and on-site activities: it includes 5 webinars and an on-site week at the University of Ostrava, Czech Republic. Participants will apply for ERASMUS+ staff mobility funding at their home university to take part in the onsite week. A course certificate will be issued after the satisfactory completion of the course.
